

AI+ Learning & Development

Category: AI/ML | **Vendor:** AI Certs

Duration: 8.00 hours (1 days)

6.5 CPD Hours

Rating: ★ 4.6 (5,878 reviews)

Course Information

Language:	English
Delivery Format:	Instructor Led - Online
Certification:	AI+ Learning & Development
Related Exam:	AI+ Learning & Development

Course Overview

The AI+ L&D course training offers a comprehensive examination of AI's transformative capabilities within educational settings. Through a series of modules encompassing Machine Learning, Natural Language Processing, Ethical considerations, and Emerging Trends, participants acquire a profound comprehension of AI fundamentals and their practical implications. Participants will learn to design adaptive learning systems and navigate ethical dilemmas, fostering responsible implementation of AI solutions. The course culminates in a capstone project, enabling learners to tackle real-world educational challenges with their acquired knowledge. By the course's conclusion, participants are empowered to spearhead innovation and elevate learning outcomes using AI-driven strategies.

About This Course

The AI+ L&D course training offers a comprehensive examination of AI's transformative capabilities within educational settings. Through a series of modules encompassing Machine Learning, Natural Language Processing, Ethical considerations, and Emerging Trends, participants acquire a profound comprehension of AI fundamentals and their practical implications. Participants will learn to design adaptive learning systems and navigate ethical dilemmas, fostering responsible implementation of AI solutions. The course culminates in a capstone project, enabling learners to tackle real-world educational challenges with their acquired knowledge. By the course's conclusion, participants are empowered to spearhead innovation and elevate learning outcomes using AI-driven strategies.

Who Should Attend

Content Strategist

Learning Outcomes

Upon successful completion of this course, participants will be able to:

Course Objectives

- Gain an in-depth understanding of artificial intelligence's integration in education, focusing on its effects on content creation, assessments, feedback mechanisms, and ethical issues.
- Learn key concepts and methods of machine learning, including various types of learning processes, and their practical applications in enhancing educational outcomes.
- Investigate the use of natural language processing in improving content analysis, personalization of learning experiences, and the automation of educational assessments and feedback.
- Acquire skills to utilize AI for the creation and curation of educational materials, understanding adaptive content generation and addressing ethical concerns related to AI content management.
- Understand the principles behind adaptive learning systems, focusing on their design, implementation, and evaluation, while considering ethical and privacy issues in personalized education.

📄 Certification Path

AI+ Learning & Development

Exam: AI+ Learning & Development

Additional Course Details

Step into the future of technology with industry-recognised certifications from AI Certs covering the full organisations AI certification requirements. Whether you're starting your journey or advancing your career, our expert-led training programs give you the skills to design, build, and manage AI solutions using leading platforms and technologies. Gain real-world knowledge, and the confidence to drive innovation in any industry.

Frequently Asked Questions

Q: What delivery options are available for AI+ Learning & Development?

We offer multiple delivery formats:

- Live Instructor-Led Classroom Online (Virtual/Live Online)
 - Traditional Instructor-Led Classroom Training (ILT)
 - On-site delivery at your offices anywhere in United Kingdom
 - Private dedicated courses customized for your team
-

Q: What certification does this course prepare me for?

The AI+ Learning & Development course helps prepare you for the AI+ Learning & Development certification path.

Q: Which exam does this course prepare me for?

This course prepares you for the AI+ Learning & Development official exam. You can take this exam at any exam center across United Kingdom including London, Manchester, Birmingham, Edinburgh, or live online wherever you are located.

Q: How many CPD hours does this course provide?

The 1-day AI+ Learning & Development course provides up to 6.5 CPD hours of structured learning. CPD certificates can be provided upon request.

Q: What is the duration of the AI+ Learning & Development training?

The training takes place over 1 day(s), with each day lasting approximately 8.00 hours including breaks for lunch and refreshments.

Q: Do you provide corporate training for AI+ Learning & Development?

Yes, we provide corporate training, dedicated training, and closed classes for AI+ Learning & Development. Training can take place anywhere in United Kingdom including London, Manchester, Birmingham, Edinburgh, or live online allowing teams from across United Kingdom or internationally to attend.

Q: Why choose Nexus Human for AI+ Learning & Development?

Nexus Human is recognized as one of the leading training providers. Our trainers have won multiple awards including:

- Small Firms Best Trainer Award
 - National Training Partner of the Year (Ireland) - Multiple Years
 - Global Top 30 Instructor Awards (2012, 2019, 2021)
 - Tech Excellence Award Nominations
 - Learning Performance Institute (LPI) External Training Provider Sponsor 2024
-

Q: Are there any discount codes available?

Yes! Use discount code **PENPALS** when booking your AI+ Learning & Development training. Please note that only one discount code can be used per booking and cannot be combined with other special offers.
