## Course Overview

This two-day Certified ScrumMaster (CSM)® certification course will give participants an opportunity to work with an experienced practitioner to hear real stories and learn first-hand what it means to be a ScrumMaster. Working in a safe environment to experiment and explore, students will be able to dive in and get the hands-on feel of working on a Scrum Team. This course gives students what they need to effectively facilitate Scrum Teams and collaborate with stakeholders to deal with complexity, deliver value to customers, and achieve business goals. The experience and knowledge gained in this course sets students up for success in the CSM exam and in the field as they help their organizations navigate their Scrum implementations. Upon completion of the course, students will be eligible to sit for the CSM certification exam to earn their CSM® Certification from the Scrum Alliance.
