Course Overview

In our current business environment, change is relentless. While this can be challenging, it also presents opportunities. By effectively managing change, organizations improve their performance and achieve their goals. The purpose of the Practitioner certification is to confirm whether the candidate has achieved sufficient know-how to apply and tailor Change Management guidance in a given organizational change situation. A successful Practitioner candidate should be able to apply the change management approaches and techniques learned to a real change initiative. This course will earn you 14 PDUs | 14 CDUs
