Certification:	Cisco SMB Specialization for Sales
Related Exam:	700-250

Course Overview

Welcome, and thank you for your interest in Cisco's role in accelerating digital transformation for small and medium businesses. We believe that by connecting and protecting SMBs, we can help our customers simplify their infrastructure. This workshop aims to provide participants with a comprehensive understanding of how Cisco's portfolio of solutions enables people, enhances workspaces, and empowers IT management for SMBs. Through real-life examples, use cases, and sales-focused demonstrations, you will witness the power of Cisco's products and learn how to effectively address SMB challenges. The curriculum is designed to prepare you for the 700-250 (SMB Sales) exam, as well as assist you in developing practical go-to-market strategies to grow your SMB sales.
