

CNS-320 Citrix (NetScaler) ADC 12.x

Advanced Concepts - Security, Management, and Optimization

Category: Security

Duration: 40.00 hours (5 days)

32.5 CPD Hours

Rating: ★ 4.6 (5,878 reviews)

Course Information

Delivery Format: Instructor Led - Online

Course Overview

Learn how to configure your Citrix networking environment to address application services security requirements with Citrix Web App Firewall; automate and manage network services for scale-out of application architectures with Citrix Application Delivery Management; and optimize Citrix ADC-managed application delivery traffic. This five-day course for experienced Citrix networking architects, engineers and administrators will teach you to deploy and manage Web App Firewall to protect web applications against different types of attacks. It will also give you a practical understanding of Citrix Application Delivery Management capabilities for centralized management of multiple Citrix ADC platforms, orchestration of changes, transaction reporting, infrastructure visualization and planning.

About This Course

Learn how to configure your Citrix networking environment to address application services security requirements with Citrix Web App Firewall; automate and manage network services for scale-out of application architectures with Citrix Application Delivery Management; and optimize Citrix ADC-managed application delivery traffic. This five-day course for experienced Citrix networking architects, engineers and administrators will teach you to deploy and manage Web App Firewall to protect web applications against different types of attacks. It will also give you a practical understanding of Citrix Application Delivery Management capabilities for centralized management of multiple Citrix ADC platforms, orchestration of changes, transaction reporting, infrastructure visualization and planning.

Who Should Attend

Students interested in learning the skills required to deploy and manage Citrix Web App Firewall to secure application access in their Citrix Networking environment, as well as Citrix Application Delivery Management to administer a Citrix Networking environment, or optimize Citrix ADC - managed application delivery traffic. Specifically for administrators, implementers, engineers, and architects.

Learning Outcomes

Upon successful completion of this course, participants will be able to:

Identify common web attacks and vulnerabilities

Write PERL compatible regular expressions

Understand how to operate the adaptive learning engine

Configure Citrix Web App Firewall to protect web applications

Utilize ADC 12.x Secure Insight to monitor, manage, and report on Application Services security

Additional Course Details

Nexus Humans CNS-320 Citrix (NetScaler) ADC 12.x Advanced Concepts - Security, Management, and Optimization training program is a workshop that presents an invigorating mix of sessions, lessons, and masterclasses meticulously crafted to propel your learning expedition forward.

This immersive bootcamp-style experience boasts interactive lectures, hands-on labs, and collaborative hackathons, all strategically designed to fortify fundamental concepts.

Guided by seasoned coaches, each session offers priceless insights and practical skills crucial for honing your expertise. Whether you're stepping into the realm of professional skills or a seasoned professional, this comprehensive course ensures you're equipped with the knowledge and prowess necessary for success.

While we feel this is the best course for the CNS-320 Citrix (NetScaler) ADC 12.x Advanced Concepts - Security, Management, and Optimization course and one of our Top 10 we encourage you to read the course outline to make sure it is the right content for you.

Additionally, private sessions, closed classes or dedicated events are available both live online and at our training centres in Dublin and London, as well as at your offices anywhere in the UK, Ireland or across EMEA.

Frequently Asked Questions

Q: What delivery options are available for CNS-320 Citrix (NetScaler) ADC 12.x Advanced Concepts - Security, Management, and Optimization?

We offer multiple delivery formats:

- Live Instructor-Led Classroom Online (Virtual/Live Online)
 - Traditional Instructor-Led Classroom Training (ILT)
 - On-site delivery at your offices anywhere in United Kingdom
 - Private dedicated courses customized for your team
-

Q: How many CPD hours does this course provide?

The 5-day CNS-320 Citrix (NetScaler) ADC 12.x Advanced Concepts - Security, Management, and Optimization course provides up to 32.5 CPD hours of structured learning. CPD certificates can be provided upon request.

Q: What is the duration of the CNS-320 Citrix (NetScaler) ADC 12.x Advanced Concepts - Security, Management, and Optimization training?

The training takes place over 5 day(s), with each day lasting approximately 40.00 hours including breaks for lunch and refreshments.

Q: Do you provide corporate training for CNS-320 Citrix (NetScaler) ADC 12.x Advanced Concepts - Security, Management, and Optimization?

Yes, we provide corporate training, dedicated training, and closed classes for CNS-320 Citrix (NetScaler) ADC 12.x Advanced Concepts - Security, Management, and Optimization. Training can take place anywhere in United Kingdom including London, Manchester, Birmingham, Edinburgh, or live online allowing teams from across United Kingdom or internationally to attend.

Q: Why choose Nexus Human for CNS-320 Citrix (NetScaler) ADC 12.x Advanced Concepts - Security, Management, and Optimization?

Nexus Human is recognized as one of the leading training providers. Our trainers have won multiple awards including:

- Small Firms Best Trainer Award
- National Training Partner of the Year (Ireland) - Multiple Years
- Global Top 30 Instructor Awards (2012, 2019, 2021)
- Tech Excellence Award Nominations
- Learning Performance Institute (LPI) External Training Provider Sponsor 2024

Q: Are there any discount codes available?

Yes! Use discount code **PENPALS** when booking your CNS-320 Citrix (NetScaler) ADC 12.x Advanced Concepts - Security, Management, and Optimization training. Please note that only one discount code can be used per booking and cannot be combined with other special offers.
