

# EC-Council Computer Hacking Forensics Investigator (CHFI)

**Category:** Security | **Vendor:** EC-Council

**Duration:** 40.00 hours (5 days)

**32.5 CPD Hours**

**Rating:** ★ 4.6 (5,878 reviews)

## Course Information

**Delivery Format:** Instructor Led - Online

**Certification:** CHFI

**Related Exam:** CHFI

## Course Overview

EC-Council®'s C|HFI program prepares cybersecurity professionals with the knowledge and skills to perform effective digital forensics investigations and bring their organization into a state of forensic readiness. Establishing the forensics process, lab, evidence handling procedures, and investigation techniques are required to validate/triage incidents and point the incident response teams in the right direction. Forensic readiness is crucial as it can differentiate between a minor incident and a major cyber-attack that brings a company to its knees. This intense hands-on digital forensics program immerses students in over 68 forensic labs, working on crafted evidence files utilizing the tools of the world®'s top digital forensics professionals. Students will go beyond traditional hardware and memory forensics, covering current topics in cloud forensics, mobile and IoT, and investigating web application attacks and malware forensics. The C|HFI presents a methodological approach to computer forensics, including searching and seizing, chain-of-custody, acquisition, preservation, analysis, and reporting of digital evidence. Students learn various forensic investigation techniques and standard forensic tools. As they learn how to acquire and manage evidence through various operating environments, students also learn the chain of custody and legal procedures required to preserve evidence and ensure it is admissible in court, enabling the eventual prosecution of cyber criminals and containing liability on the victim organization.

## **Prerequisites & Entry Requirements**

### **General Prerequisites:**

IT/forensics professionals with basic knowledge of IT/cybersecurity, computer forensics, incident response, and threat vectors.

## ☐ Certification Path

CHFI

Exam: CHFI

## Additional Course Details

---

Nexus Humans, EC-Council Computer Hacking Forensics Investigator (CHFI) training program is a workshop that presents an invigorating mix of sessions, lessons, and masterclasses meticulously crafted to propel your learning expedition forward.

This immersive bootcamp-style experience boasts interactive lectures, hands-on labs, and collaborative hackathons, all strategically designed to fortify fundamental concepts.

Guided by seasoned coaches, each session offers priceless insights and practical skills crucial for honing your expertise. Whether you're stepping into the realm of professional skills or a seasoned professional, this comprehensive course ensures you're equipped with the knowledge and prowess necessary for success.

While we feel this is the best course for the ITS Data Analytics course and one of our Top 10 we encourage you to read the course outline to make sure it is the right content for you.

Additionally, private sessions, closed classes or dedicated events are available both live online and at our training centres in Dublin and London, as well as at your offices anywhere in the UK, Ireland or across EMEA.

# Frequently Asked Questions

---

## **Q: What delivery options are available for EC-Council Computer Hacking Forensics Investigator (CHFI)?**

We offer multiple delivery formats:

- Live Instructor-Led Classroom Online (Virtual/Live Online)
  - Traditional Instructor-Led Classroom Training (ILT)
  - On-site delivery at your offices anywhere in United Kingdom
  - Private dedicated courses customized for your team
- 

## **Q: What certification does this course prepare me for?**

The EC-Council Computer Hacking Forensics Investigator (CHFI) course helps prepare you for the CHFI certification path.

---

## **Q: Which exam does this course prepare me for?**

This course prepares you for the CHFI official exam. You can take this exam at any exam center across United Kingdom including London, Manchester, Birmingham, Edinburgh, or live online wherever you are located.

---

## **Q: How many CPD hours does this course provide?**

The 5-day EC-Council Computer Hacking Forensics Investigator (CHFI) course provides up to 32.5 CPD hours of structured learning. CPD certificates can be provided upon request.

---

## **Q: What is the duration of the EC-Council Computer Hacking Forensics Investigator (CHFI) training?**

The training takes place over 5 day(s), with each day lasting approximately 40.00 hours including breaks for lunch and refreshments.

---

## Q: Do you provide corporate training for EC-Council Computer Hacking Forensics Investigator (CHFI)?

Yes, we provide corporate training, dedicated training, and closed classes for EC-Council Computer Hacking Forensics Investigator (CHFI). Training can take place anywhere in United Kingdom including London, Manchester, Birmingham, Edinburgh, or live online allowing teams from across United Kingdom or internationally to attend.

---

## Q: What related terms do people search for?

Popular related searches include: CHFI

---

## Q: Why choose Nexus Human for EC-Council Computer Hacking Forensics Investigator (CHFI)?

Nexus Human is recognized as one of the leading training providers. Our trainers have won multiple awards including:

- Small Firms Best Trainer Award
  - National Training Partner of the Year (Ireland) - Multiple Years
  - Global Top 30 Instructor Awards (2012, 2019, 2021)
  - Tech Excellence Award Nominations
  - Learning Performance Institute (LPI) External Training Provider Sponsor 2024
- 

## Q: Are there any discount codes available?

Yes! Use discount code **PENPAL5** when booking your EC-Council Computer Hacking Forensics Investigator (CHFI) training. Please note that only one discount code can be used per booking and cannot be combined with other special offers.
