Duration: 16.00 hours (2 days)

13.0 CPD Hours

Rating: ★ 4.6 (5,878 reviews)

Course Information

Language: English

Delivery Format: Instructor Led - Online

Course Overview

ISO 9001 Foundations is a two-day training courses which focuses on the concepts of quality and quality management, and provides an overall explanation of ISO 9001 requirements for a quality management system (QMS). In this training course, you will be acquainted with the various aspects of a QMS based on ISO 9001, such as the role of top management, risks and opportunities, quality policy, processes that shape product and service provision activities, requirements for performance evaluation, and the importance of continual improvement. After completing this course, you can sit for the exam. If you successfully pass the exam, you can apply for the "Certificate Holder in ISO 9001 Foundation®" designation. This certificate demonstrates that you have a general knowledge of ISO 9001 requirements for a QMS and enables you to be part of QMS implementation projects.

About This Course

ISO 9001 Foundations is a two-day training course which focuses on the concepts of quality and quality management, and provides an overall explanation of ISO 9001 requirements for a quality management system (QMS). In this training course, you will be acquainted with the various aspects of a QMS based on ISO 9001, such as the role of top management, risks and opportunities, quality policy, processes that shape product and service provision activities, requirements for performance evaluation, and the importance of continual improvement.
