Learning Outcomes

Upon successful completion of this course, participants will be able to:

The purpose of this course is to give the delegate the understanding to optimize the value of the journey for all stakeholders, for example, to convert opportunity and demand into value and to drive stakeholder value.

Engagement is important in the optimization of service value because, as ITIL® Foundation explained, service value is co-created through the involvement of users, customers, sponsors, service providers, or any other stakeholder.

This course introduces ways and methods to drive stakeholder value and encourage stakeholders contribute to the creation of service value by exploring the following:

Value propositions

Fostering relationships

Keeping engagement channels open

Shaping demand

Designing service offerings

Aligning and agreeing expectations

Co-creating service experiences

Realizing value
