Course Overview

All projects introduce change into organizations which invariably change the way stakeholders work. Organizational change management (OCM) is about the people side of change helping them let go of old practices and embrace the new. Through this interactive workshop, you will learn techniques to clearly define the change, generate support, assess organizational readiness, develop a change management plan, effectively address resistance, and identify the critical success factors to sustain the change once it is implemented. In short, you will leave class ready to participate as a valuable change agent in any change initiative. Note: This course will earn you 7 PDUs.
