Course Information

Delivery Format: Instructor Led - Online

Course Overview

This Program Management Professional (PgMP)® certification training course will guide you through the Standard for Program Management and support your journey to the PgMP® exam. Through the guidance provided during this boot camp and subsequent study, you will know what to expect on the day of the PgMP® exam itself. This PgMP® training course will be taught by a PgMP® accredited instructor who will guide you based on personal experience of the process. Supplemental materials such as simulated exams to prepare you for the actual test, as well as 20-question exams at the end of each section of the course will help boost your confidence for exam day. Note: This course has been approved by PMI for 35 PDUs.
