Course Information

Delivery Format: Instructor Led - Online

Course Overview

This course includes multiple techniques for leading classes virtually or in person. Effective facilitation of group sessions, whether remote or in person, is a key skill for Trainers, Supervisors, and Managers as an expression of their leadership and their ability to focus a group. This 3-day course covers multiple techniques and provides a solid foundation in facilitation, instruction, interactive learning, and presenting skills. Dedicated to anyone who delivers content to a group regardless of the setting. Attendees will have ample opportunity to prepare, practice and deliver to the group and receive instruction, coaching, and feedback to support their development of outstanding training skills. Upon successful course completion and test teach, you will earn a badge from Credly.

About This Course

This course includes multiple techniques for leading classes virtually or in person. Effective facilitation of group sessions, whether remote or in person, is a key skill for Trainers, Supervisors, and Managers as an expression of their leadership and their ability to focus a group. This 3-day course covers multiple techniques and provides a solid foundation in facilitation, instruction, interactive learning, and presenting skills. Dedicated to anyone who delivers content to a group regardless of the setting. Attendees will have ample opportunity to prepare, practice and deliver to the group and receive instruction, coaching, and feedback to support their development of outstanding training skills. Prerequisites & Entry Requirements

General Prerequisites:

While there are no prerequisites to attend this course, because of the highly interactive nature of the delivery, a minimum of three students will be required to run a class session.

Learning Outcomes

Upon successful completion of this course, participants will be able to:

Learn about adult learning principles and delivery, educational theory, production and facilitation techniques, virtual classroom setup, and when and how to intervene in critical situations. Each attendee will create and deliver a presentation to the group and take part in a review, debrief, and feedback session with certified instructors as a part of this course.
